

Volunteer Opportunities

Volunteers are the backbone, heart, soul, mind, and muscle of PATC. With volunteer effort, PATC maintains over 1,000 miles of trails, manages 1,000 acres of land and oversees 60 cabins and shelters. Please volunteer some of your spare time...we need you!

The PATC has numerous volunteer opportunities available. There is something available for just about everybody, from maintaining a section of the AT to taking cabins reservations; from helping to organize the club's archives to leading nature hikes. Some volunteer activities will allow you to enjoy solitude on your own section of trail; other activities will allow you to meet and spend time with lots of other like-minded people.

Use the menu links (left) to learn more about the variety of PATC volunteer opportunities.
